New STUFF!

Open the door. Step outside into a world of wonder.

MFJ is always coming out with new stuff. We just introduced a lot of new fun gadgets that hams need and want for various activities, including OOTA.

So get up, open that door and step outside into a world of wonder. The sun is shining, there are adventures to find and people to see. The airwaves are calling your name. Get **Outside On The Air!**

MFJ-1938TP

Mount up to 3 Hamsticks from 160 Meter to 2 Meters and enjoy automatic band switching-- no more manually changing hamsticks to change bands. For any HF/VHF antennas with 3/8 inch x 24 thread mounts. **Includes** heavy duty mast/pipe mount with *Quikspike™* 12 inch ground stake. Has SO-239 connector for coax cable connection. Features antenna end separation to minimize interaction when tuning your antennas.

MFJ-1979MR

Full quarter wave on five DX bands: 20, 17, 15, 24, 28, 6 Meters, 500 Watts. Everything you need in one package to start operating in minutes! **Includes** 17 foot telescoping stainless steel whip antenna, versatile mast/pipe/ground mount with 12 inch steel ground spike and four 25 foot insulated radials. Ready to operate in minutes. Simply push *QuikSpike™* mount into ground (or mount to mast, pole, balcony, vehicle).
